Location:	Folsom, CA	Salary Range:	\$102,856 - \$146,224 Annually DOE	Mail:	Attn: Human Resources R.E.Y. Engineers, Inc. 905 Sutter Street, Suite 200 Folsom, CA, 95630

FIRM DESCRIPTION

Founded in 1985, R.E.Y. has been delivering projects to enhance the quality of life for nearly 40 years. Headquartered in historic Folsom, CA with additional offices in Pleasanton, Oakland and Palo Alto, CA, R.E.Y. has extensive private-sector and municipal experience. We have delivered a wide variety of community-oriented projects throughout California and as far away as Alaska and Australia. What sets us apart? It's our company culture, our commitment to quality, and our employees. We are dedicated to retaining and developing individuals of the highest quality. We promote an open and fun environment to work in, while maintaining high standards for quality.

JOB DESCRIPTION

Under the direction of a Project Manager, staff in this position perform field and office civil engineering work related to the planning, design, and construction management of public infrastructure projects. Duties include conducting plan checks; preparing project schedules; developing plans, specifications and cost estimates; coordinating engineering activities with contractors and agencies; monitoring tasks for conformance with scope, schedule and budget; performing construction management and inspection services; supporting marketing and business development activities; and performing related work as required.

QUALIFICATIONS AND EDUCATION REQUIREMENTS

- BSCE from an A.B.E.T. Accredited University
- Professional Engineer Licensure (PE)
- Valid California Driver's License

PREFERRED SKILLS

- A minimum of eight (8) years of experience in roadway, water, wastewater, and/or stormwater design projects.
- Proficient in the use of AutoCAD - Civil 3D.
- Knowledgeable in the use of water, wastewater, and stormwater modeling software.
- Ability to assist in managing projects is a plus.
- Experience preparing design studies, plans, specifications, and estimates.
- Skilled in the use of Microsoft Office Suite software.
- Strong written and oral communication skills.
- Adept at working in a team environment, as well as independently.
- Experience communicating and interacting internally with coworkers and externally with clients.
- Construction management and/or inspection experience is a plus.
- Excellent knowledge of computers and networks is a plus.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or status as a protected veteran.
